

40 UNDER 40 COUNCIL

NOMINATE A YOUNG TRUCKING PROFESSIONAL FOR THE 40 UNDER 40 COUNCIL

In 2009, the 40 Under 40 Council was approved as a way to identify and cultivate new, young executives of member companies and acclimate them to the intricacies of the trucking world as well as the dynamics of the association.

Meeting quarterly, the Council brings in guest speakers to discuss leadership, politics, the industry and the association. The purpose of the Arkansas Trucking Association 40 Under 40 Council is to provide forums in which its members can advance their careers in transportation and interest in the association through education and outreach programs that instill leadership traits to benefit members in their professional and personal lives.

Criteria for consideration should include demonstrated leadership skills, commitment to a career in transportation and notable contributions to his or her company or industry.

Membership is limited to 40 people, under the age of 40, employed and nominated by an ATA carrier member or academic institution. These young executives will form the “next generation” of leaders in our industry and we encourage you to support our effort.

It will be important that those individuals selected for participation be granted appropriate time and resources to participate in quarterly meetings or events. There will also be a \$300 annual membership fee for the council, which covers attendance fees and meals at all events. To ensure the success of this endeavor, we are asking not only for company support in recognizing young professionals, but also in their absence and fees associated with attendance and participation.

Nominate a young professional from your company, and submit it to the Arkansas Trucking Association for consideration. Forms can be mailed to P.O. Box 3476, Little Rock, AR 72203 or faxed to 501.376.1810.

40 UNDER 40 COUNCIL

NOMINATION FORM

NOMINEE: _____ DATE OF BIRTH: _____

COMPANY: _____

TITLE: _____

MAILING ADDRESS: _____

E-MAIL ADDRESS: _____

NOMINATOR: _____

TITLE: _____

E-MAIL ADDRESS: _____

Please give a brief description of the nominee's professional achievements. Suggestions: include recent significant business accomplishments, educational achievements, past distinctions or awards.

Please provide your candid assessment of the nominee's qualifications and potential in the trucking industry. Please describe activities or accomplishments that demonstrate personal strengths and weaknesses and/or commitment to professionalism.

Tell us about the nominee's leadership abilities and experience. Suggestions: demonstrations of leadership and innovation, and how your company has grown or benefited due to his/her leadership.
