HOUSEKEEPING ANNOUNCED

SAFETY MESSAGE

May is Motorcycle awareness month. With warmer weather, it's time to remind everyone to be on the alert and to share the road with motorcyclists.

Riders who have been cooped up all winter are excited to be out on the road again, but that shouldn't stop them from using caution.

Both motorcyclists and motorists need to be aware of their surroundings. Checking blind spots, mirrors and using turn signals are necessary when changing lanes and when passing.

TEXTING - Don't let one text change anyone's life forever.
