**Presentations**

John Nowell, Regional Sales Manager, and Jesse Ellsworth, Product Support Specialist, both with Pre-Pass provided detailed information on their new technology for recording Electronic Vehicle Identification Reports (EVIRs). The EVIRs can be managed as a part of their Ground Traffic Control web-based application (Pre-Pass GTC) which provides real time access to collect data through the EVIR system, GPS tracking, and through an interface with the ECM already on board.

Anyone interested in learning more about Electronic Vehicle Identification Reports can contact John Nowell at (903) 268-1150 or [john.nowell@acs-inc.com](mailto:john.nowell@acs-inc.com).
