The Arkansas Trucking Association, Inc., is committed to conducting its programs and activities safely. Technicians registering for or attending the Technician Championship must recognize the inherent **risks of injury** associated with working on motor vehicles in general, as well as in being present during, and in participating in, competitions such as this Championship. The Arkansas Trucking Association, Inc., therefore requires the execution of the following Waiver and Release as a condition for participation in the Championship activities. Please **carefully read this form in its entirety.**

WAIVER & RELEASE OF ALL CLAIMS

Acknowledgement of Risks. As a participant in the Technician Championship (hereafter referred to as "Championship"), I recognize and acknowledge that there are **inherent risks** associated with working on or being around commercial motor vehicles, in general, and with being present at (or otherwise participating in) the activities associated with the Championship. I recognize that such risks can arise in a number of ways, whether in my working on, assessing, or being under the chassis or the hood of a vehicle, in the operations of other vehicles by other people, or even in simply being present at the site of the Championship activities. I also recognize and understand that such inherent risks include the potential for disabling physical injury **up to and including dismemberment or death.**

Representations as to Fitness, Condition & Training. I represent and warrant that my health and physical condition are good enough for me to safely participate in the Championship and that I will not be under the influence of any medicines or other substances that could impair my judgment or ability to participate safely. I further represent and warrant that I am familiar with and shall follow the Championship's rules and procedures, particularly with regard to safety, and that I am well trained in workplace safety rules pertaining to working on commercial motor vehicles.

Purpose of Participation. I understand further that participation in the Championship is voluntary and that I am doing so under no compulsion, but rather for my own enjoyment and benefit or to display and enhance my skills as a member of the trucking industry or to be eligible for awards offered to contestants.

Caution with Equipment & Premises. I will use caution in being around and working on any vehicle or in using tools or other equipment. I will also use caution in entering and exiting the area where the activities are being held, as well as in getting into, under, and out of any vehicle or structure.

*Assumption of Risks. In consideration of my being permitted to participate in the Championship, I agree to assume the **full risk of any and all injuries including dismemberment, death, damages or loss regardless of severity** that I may sustain as a result of participating in any and all of the activities associated with the Championship.*

*Waiver of Claims/Indemnity. For the same consideration, I (both on behalf of myself as well as on behalf of my heirs and personal representatives) **waive and relinquish any and all claims** that I may have or that may accrue to me against the Arkansas Trucking Association, Inc., and any other participant in the Championship (or against any of them), including, for each entity or person, their officers, directors, agents, servants, employees, contractors, affiliates, successors and assigns, on account of or during the course of my participation. Without limitation, I am hereby **waiving and relinquishing all such claims, whether arising out of negligence or other form of liability**, associated with the Championship and related activities, for all injuries (up to and including dismemberment or death), as well as for all other damages or loss (including without limitation loss of or damage to personal property). I further agree to **indemnify, protect, and hold harmless** the entities and persons described above of and from any and all claims, judgments, costs, liens, expenses, and losses (including attorney's fees) arising out of any subsequent actions, claims, or demands by reason of injuries or damages to me as a result of my participation in the Championship.*

*Authorization in the Event of Emergency. I further **authorize** the Arkansas Trucking Association, Inc., (as well as its designees) **to secure** from any licensed hospital, physician or medical personnel any **emergency medical treatment** or services (including but not limited to land or air-based emergency transport) deemed necessary for my immediate care should I sustain any injury during the course of my participation in or presence at the Championship and I agree that I will be responsible for payment of any such medical services required.*
